Dr. Vineet Gera

Trainer & Coach

Dr. Vineet Gera, prominent 'Team Enabler,' is a distinguished expert in the field of Experiential Learning, boasting over 22 years of extensive experience across diverse domains. His notable achievements include securing a position in the India Book of Records as the first Indian author on Event Management at the international level. With a rich portfolio encompassing more than 600 events of varied nature, Dr. Gera has imparted his expertise to over 80,000 corporate executives, focusing on areas such as Leadership, People Management, Sales & Marketing, Time Management, and Team Building.

His delivery style is not only informative but also highly entertaining. Dr. Gera adds a musical dimension to his presentations, playing the Melodica to infuse energy through harmonious notes. Holding certifications as an NLP practitioner, HR professional, and human behavior analyst, he brings a wealth of expertise to his training sessions.
